Designed for fast freezing to preserve food's texture, nutrients and taste, FreezerMate is your perfect solution for ultimate freshness!

## Meat frozen in FREEZERMate stays fresh and juicy

### Fresh freezer tips:

#### Avoid putting hot food in the freezer

Cool food in the fridge completely before storing them in the freezer for optimal freshness.

#### Don't leave the door of the freezer open

This will cause the temperature in the freezer to rise causing freezer burn.

#### Always thaw food in the refrigerator

Not on the countertop.

#### Keep temperatures below freezing

Freezer burns only occur if the temperature fluctuates above 0°F.

# Your secret to flawless skin

**L-Glutathione**, known as “the master antioxidant” – is one of the body’s important antioxidants. This detoxifier binds free radicals, toxins and heavy metals to flush them out of the body, protecting cells from oxidative stress that damage cell structures. It also blocks UV rays that trigger black pigmentation (melanin) formation – promoting cell renewal for a healthier complexion.

Along with Hyaluronic Acid that helps lubricate and locks in moisture for plumper skin, **NaturCare® Gluta HA** provides a proprietary combination of antioxidants and other natural ingredients in a holistic beauty system to **improve skin’s moisture levels whilst restoring clarity and luminosity**. Let that natural radiance shine through!

To combat the effects of aging, it is crucial to increase the collagen levels in our body to fight free radicals that deplete the collagen and cause cells to degenerate.

**Increase Collagen**

**Fight Free Radicals**

**Collagen - the Skin's Essential Support**

Collagen makes up 75% of our skin and acts like springs to maintain its firmness and elasticity. As you age, your body produces less collagen while the existing ones are damaged by free radicals, causing skin to lose its tautness, resulting in sagging skin and wrinkles.

**Collage supplementation helps:**

- Rebuild skin
- Tighten skin
- Improve elasticity
- Smoothen lines and wrinkles
