## Embrace life, age healthily

*Keep the effect of aging at bay with the benefits of pomegranate.*

*Dosage: 2-4 softgels once or twice daily with meals.*

NaturCare® Pomegranate Full Spectrum is the extract of the whole fruit, seeds and peels of pomegranate. It is rich in antioxidants due to its high concentration of Punicic Acid.

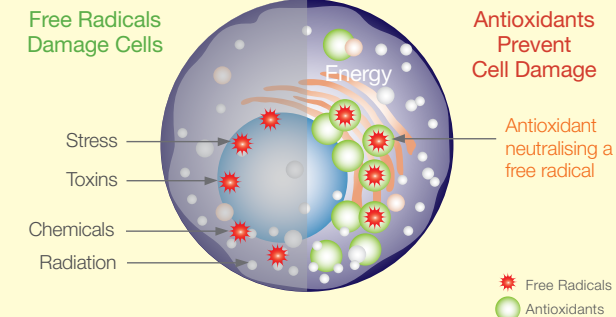

You can't prevent the effect of aging but you have the power to slow it down. As we grow older, energy levels and stamina drop, skin develop age spots and we are more susceptible to age specific diseases.

Studies show that Pomegranates have Punicic Acid, a natural antioxidant booster to keep the effects of aging at bay. Now with **NaturCare® Pomegranate Full Spectrum**, you can add this antioxidant booster to your daily diet to ensure you and your family age well.

## YOU CAN DELAY THE EFFECT OF SKIN AGING

Even the most beautiful cannot escape the wrinkles and fine lines that appear with age. Natural aging coupled with environmental factors and lifestyle choices can accelerate aging, diminishing youthful radiance.

### Stress

Releases a chemical in the body that results in skin aging.

### Sun Exposure

UV rays causes pigmentation, age spots & fine lines.

### Cigarettes Smoke

Breaks down collagen intensifying eye bag formation.

### Internal Factors:

- Collagen production depletes with age
- Skin loses elasticity
- Skin cell renewal rate slows down

### External Factors:

- Exposure to free radicals
- Oxidative stress to cells

### Unhealthy Diet

Simple carbohydrates can spike insulin levels, which break down collagen leading to sagging skin and wrinkles.

### Pollution

Interferes with skin's ability to produce collagen & regulate moisture.

### L-Glutathione (GSH)

This antioxidant binds to **free radicals, toxins and heavy metals** and **rids them from the body**.<sup>1</sup>

### Hyaluronic Acid (HA)

Hyaluronic Acid **locks in moisture to provide cushioning and lubricating effect** within skin outer layer (dermis).<sup>2</sup>

## Boost your natural radiance

Now with NaturCare® V' Radienz, you have a holistic beauty system that combines 2 products enriched with antioxidants, fish collagen peptides and natural skin boosters like **Apple Stem Cells, Olive Essence, Berries and Vitamin C** to effectively renew and repair skin for a more youthful complexion.

### Algae Astaxanthin

The unique molecular structure of Astaxanthin gives it **trans-membrane ability in fighting free radicals** from both inner and outer layers of the skin.<sup>3</sup>

### Fish Collagen Peptides

**Fish collagen peptides** with its **refined molecular size (<2000 Dalton)** is found to be easily **digested and absorbed** to effectively fill in the body's gap of collagen to rebuild skin from within.<sup>4</sup>
