# Live well, age well

Age healthily with the benefit of the Pomegranate.

Most of us wish we could stop the clock on the aging process, even when we know it is unavoidable. As we age, energy levels and stamina drop, skin develops age spots and pigmentation, plus we become susceptible to age specific diseases. Now with **NaturCare® Pomegranate Full Spectrum**, you can age healthily. The extract of the whole fruit, seeds and peels of pomegranate, is incredibly rich in antioxidants due to its high concentration of Punicic Acid. Add this antioxidant booster to your daily diet to ensure you and your family age well.

Dosage: 2-4 softgels once or twice daily with meals.
