Safe for making baby food.

Sterilizes baby equipment minus bacteria and viruses.

Washed clothes are free of impurities and chemical residue.

Safer for clean-ups & baths.

Safe for baby. **SAFE FOR** THE FAMILY

Babies require gentle and delicate care, as they are more susceptible to viruses and bacteria present in unfiltered water. Thus, it is essential to have clean water to ensure your baby's health. With the Nano Nature Water Filtration System, you can now filter, purify and enhance water to ensure it is not exposed to water contaminants that may harm the health and growth of your baby. Plus, if it is safe for baby, it is safe for everyone in the family!

Focused & alert all day

It is important to ensure your child stays alert and mentally active at school. DHA is crucial for early development of the brain, nervous system and visual abilities, especially during the brain growth spurt period. DHA deficiency in children is linked to behavioral problems, Attention Deficit Hyperactive Disorder (ADHD), tantrums, sleep difficulties, aggression and learning problems in children. **To boost your child's cognitive function, give them NaturCare® DHA Colostrum +Vit D. Just 2 tablets provide IgG (antibodies) from 11 glasses of milk for optimal mental alertness and good health.**

One must live well to age well

Drinking pomegranate juice is generally believed to be good for health and helps with the aging process. Nevertheless, it is a fruit that is not necessarily easy to find, while the commercially pre-packed juices have more water, sugar and very little fiber. Made up of the **whole fruit, from seed, pulp and peel** – **NaturCare® Pomegranate Full Spectrum** is a powerhouse of antioxidants. **One softgel contains antioxidants from the Punicic Acid concentrate of at least 10 fresh pomegranates**, which means you can now reap the full benefits of the pomegranate without the hassle of making juice!

Comparison of Juices vs softgel	Number of Pomegranates	Whole Fruit (Full Spectrum)	Concentration of Punicic acid	Does not soften, discolour or stain teeth	No added water, sugar, colorings or preservatives	Low in Calories

CHERISH YOUR SKIN WITH ANTIOXIDANT PROTECTION

To sustain skin's natural glow, you need to enhance internal health and harmony with proper nutrition and antioxidant protection.

The NaturCare® V'Radienz system brings together 2 products that provide antioxidants, fish collagen peptides and other natural ingredients to cherish your skin. Antioxidants such as Astaxanthin and L-Glutathione defend your skin against the negative effects of free radicals for long-lasting youthful beauty^{1,2}.

L-Glutathione – Skin's Natural Sunscreen

Hailed as the master antioxidant, L-Glutathione protects cells from oxidative stress that damage cell structures. A detoxifier, it binds free radicals, toxins and heavy metals to flush them out of the body. In excess, it blocks UV rays that trigger black pigmentation (melanin) formation.¹

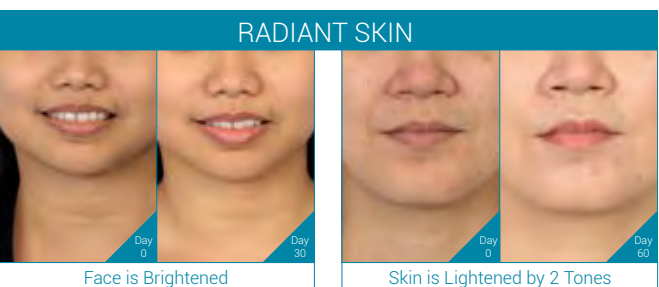

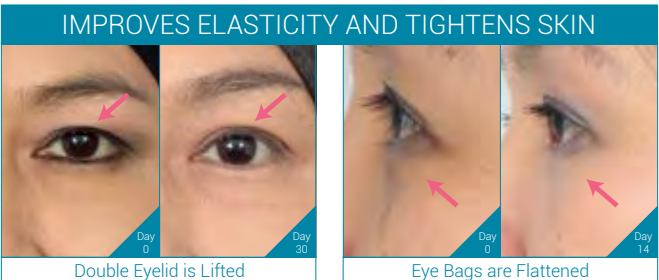

Promotes cell renewal and eliminates age spots for: ¹

- ✓ Radiant skin
- ✓ Lightened pigmentation
- ✓ Healthier complexion

¹Arjinpathana N & Asawanonda P, Glutathione as an oral whitening agent: J.Dermatol Treat. 2010.

Look VISIBLY DIFFERENT in 7 days!*

Experience real results that's proven work.

*Results from 50 panelists ranging from 25-60 years old within 60 days. All photos are originals. No photo retouching or enhancement has been done. The effect of the product may vary among individuals.

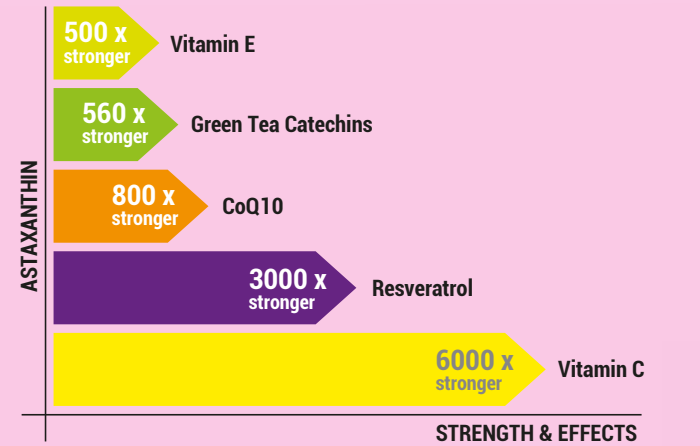

Astaxanthin – Nature's Most Powerful Antioxidant
Derived from fresh-water microalgae, *Haematococcus pluvialis*, Astaxanthin is the world's strongest antioxidant shield. Its unique molecular structure gives it trans-membrane ability to fight free radicals from both inner and outer layers of the skin.²

Protects skin cells that result in **VISIBLE** effects: ²

- ✓ Firmer, lifted skin
- ✓ Sharper features
- ✓ Defined V-shaped face line
- ✓ Toned, bouncy skin
