**JUIST™**  
Juice it with a Twist

## Fresh pulpy juices for a healthier start

It's no secret that fruits and vegetables are loaded with an abundance of beneficial nutrients. Juicing straight from the source offers various health benefits such as:

- High fiber content which relieves constipation, lowers cholesterol and blood glucose levels
- Promotes weight loss
- Contains antioxidants to protect body from damaging free radicals
- Concentrated with essential nutrients for better health
- Nourishes and brightens skin

Juicing is as easy as 1, 2, **JUIST!**

It's time to start living healthier with natural vitamins straight from your kitchen with our newest innovation, JUIST. With a few twists, you can now sip on fresh juices made from your favorite fruits or veggies. Ergonomic and easy to use, this gives you the freedom to make variations of revitalizing beverages everyday!

Spout at strainer allows rapid juice flow.

Base allows 500ml of juice capacity.

Rubber silicon base prevents slipping.

Made with holes to filter seeds.

Pour easy with spout at base.

Strainer separates the pulp and juice.

## Did you know?

There's a difference between using a machine and hand squeezing your own juices. To reap the full nutritional benefits of juicing, using JUIST will preserve more essential nutrients for your consumption rather than using machine-operated juicers.

### Machine-operated juicers

- Has a foamy layer due to machine processes
- Color of juice is lighter & clearer as fiber is separated from juice
- Fiber is wasted as it is trapped at bottom of juice

### JUIST

- No foamy layer on surface of juice
- Color of juice is darker with fiber retained inside
- Fiber is not wasted and diffuses with the juice

1. Flip the strainer
2. Place fruit in
3. Twist it!

Position the strainer upwards to squeeze juices from citrus fruits

#### Great Tip!

Open twister top and fill up with rice grains to crush fruits easily

Position strainer downwards to mash soft-textured fruits and vegetables

#### Care Tips:

- Clean any leftover fruit from the sides of the strainer
- Use a brush to clean the strainer thoroughly
- Clean the product gently to prevent scratches

## Citrus Green Cooler

A healthy pick-me-up to refresh your body on those hot days!

### Ingredients:

Honeydew fruit  
1 cucumber  
2 key lime  
Mint leaves  
Ice

### Method:

1. Cut the honeydew and cucumber into small pieces and position the strainer downwards.
2. Place the honeydew, cucumber and mint leaves inside JUICE. Press down on the twister to grind the fruits.
3. Finely chop the leftover fruit pulp in the strainer and mix it into the juice.
4. Position the strainer upwards, cut the key limes in half and extract the juices.
5. Mix everything together in a pitcher and serve immediately with ice.

## Savor every last bit

Make the best out of your fruit pulp and boost your fiber intake!

### Freeze it

Freeze fruit pulp in popsicle molds for a refreshing treat

### Mix it

Chop and mix fruit pulp in your drinks for added nutrition

### Bake it

Add fruit pulp into your baking batters for extra fiber

Dosage: 2-4 softgels once or twice daily with meals.

K.K.L.I.U 2160/2014

Most of us wish we could stop the clock on the aging process, even when we know it is unavoidable. As we age, energy levels and stamina drop, skin develops age spots and pigmentation, plus we become susceptible to age specific diseases. Now with **NaturCare® Pomegranate Full Spectrum**, you can age healthily. The extract of the whole fruit, seeds and peels of pomegranate, is incredibly rich in antioxidants due to its high concentration of Punicic Acid. Add this antioxidant booster to your daily diet to ensure you and your family age well.

# Twice The Cleanliness

Twice the charm

## What is double cleansing?

Double cleansing is a facial cleansing technique that has been around for many generations in Japan. Now a staple in skincare regimes around the world, this method of cleansing your skin twice removes any makeup during the first cleanse, before purifying the face during the second cleanse.

## How to double cleanse:

1. Wash face and neck with **Nutri Skin Clean Cleansing Milk** or the **Restore Softening Cleansing Creme** to remove any oil-based makeup and impurities.
2. Use **Nutri Foaming Facial Cleanser** or **Restore Foaming Cleansing Lotion** to deep cleanse pores and any residual makeup.

## Benefits:

- Removes all impurities thoroughly
- Prepares skin for better absorption of skincare
- Leaves skin feeling fresh and clean
